Page 1 of 1

It is certified that error appears in the above-identified patent and that said Letters Patent is hereby corrected as shown below:

column 5, lines 58-61, remove –The floors in many horse barns are uneven. The wheels are preferably caster mounted and larger than the typical surface irregularities in a barn floor to allow ease of moving the assembly from one stall to the next.–

Signed and Sealed this

Twenty-second Day of August, 2006

A handwritten signature in black ink, appearing to read "Jon W. Dudas", is written over a faint, circular embossed seal of the United States Patent and Trademark Office.

JON W. DUDAS  
*Director of the United States Patent and Trademark Office*
